

# EXHIBITOR REGISTRATION FORM

**SELLING & SHOWING SPOTS:** The size of each space is 10-feet wide by 12-feet long for \$80.00. Two people will be admitted free per spot. 2 more passes can be purchased for \$25.00 each, which are for people that will help set up your booth. You will receive one vehicle pass for each space rental. This will allow one car or truck with trailer to enter the Lansing Center. This means you will need to have all your stuff in one vehicle NOT 2 or 3. If everything is not inside one vehicle, you will have to unload outside and carry everything inside. Friends who want spots next to each other need to be in line together before entering the building.

**Deadline for purchase** of extra worker passes will be March 5, 2017. Make sure you have all that you need by then. We will not sell any after March 14th, and you can not purchase any at the door, unless arrangements have been made by phone for will call.

**TABLES** are \$15.00 each for a 8-foot table, plus a \$50.00 deposit that will be returned at the end of the show when you turn in your table. (\$50.00 deposit applies whether you rent 1 or 15 tables). Table rental is not required, but offered as a convenience.

**Chairs** are \$3.00 each to rent, or you can bring your own.

**All spots** are reserved in advance by full payment. After March 5, 2017 any available spots will be \$85.00 each. There will be no re-funds after March 5, 2017. Remember, this event sells out every year. To insure you receive a spot, sign up early!

**A Confirmation Letter**, your Exhibitor Tickets, and the Vehicle Passes will be mailed to you.

**ELECTRIC** for show or selling spots is \$60.00 for up to 3 plugs that you plug into the Lansing Center.

**SHOW CLASSES:** Unfortunately, due to limited interest and a decline in Show Car entries, we will not have a Car Show at the event this year. Exhibitors are encouraged to bring display vehicles, and there will be several off-road cars and vehicles of all types on display. However, we will not be presenting trophies at the event for custom vehicles this year. Please contact us if you have any questions.
